# Agri Assist Loan

**Farming is exposed to the volatility of international commodity prices across key inputs such as energy, animal feed and fertiliser.**

Bank of Ireland understands the challenges faced by our farming customers especially this year.

In response to the unprecedented price rises and associated additional working capital requirements we've launched a €100 million Agri Assist fund.

Agri Assist is specifically designed to support farmers managing their businesses through a period of high price inflation for key inputs such as energy, animal feed and fertiliser.

## Key features of Agri Assist

- ▶ €100 million fund available to support farmers to finance the additional costs of energy, animal feed and fertiliser either already purchased or planned for this season
- ▶ Loans are repayable over extended terms from 6 months to 3 years
- ▶ Loans are available at a competitive discounted variable rate
- ▶ No arrangement fee
- ▶ Repayments can be tailored in line with cash flow
- ▶ Loan amounts up to €100,000 (amounts greater than this will be considered on a case-by-case basis)
- ▶ Offer available until 30 November 2022
- ▶ Security: Normal security requirements apply

<sup>1</sup>For an agri assist loan the variable rate is made up of the Small Business and Agri Rate (SBAR) with a margin of 3.2% (correct as at 15/08/2022) – The SBAR rate is a BOI reference rate under SME Regulations and is liable to change. For up to date SBAR rates please visit <https://businessbanking.bankofireland.com/credit/business-loans/business-banking-reference-rates/>

## Loan Purpose

This loan is available to:

- ▶ Finance the additional cost of energy, animal feed and fertiliser already purchased this season and planned for this season
