Loan**

**Bank of
Ireland**

Are you looking to make your business or farm 'Green'?

Making your business or farm more energy-efficient can be an effective way of reducing operating costs while being kinder to the planet.

The Bank of Ireland Green Business Loan offers discounted finance to businesses or farms who want to implement energy-saving initiatives in order to reduce their carbon footprint and their costs, for example, Solar Technology, LED lighting to replace fluorescent lights or more energy-efficient heating and cooling systems which can reduce reliance on oil and gas.

Grants available through the Sustainable Energy Authority of Ireland* may also help you with the cost of making your business or farm more energy-efficient.

Borrowers may need to confirm or provide proof of work being undertaken to enhance sustainability or retro-fit their business or farm in order to qualify for a Green Business Loan.

Features

- ▶ Flexible repayment terms
- ▶ We can tailor loans to suit your cash flow
- ▶ Borrow from €5,000 to €300,000
- ▶ Discounted secured and unsecured interest rates¹
- ▶ No arrangement fee
