

**MyPension365** is a new digital pension platform that can be accessed through your mobile app, tablet or laptop to provide you with your pension progress on the go. You can view up to date information including your contributions made and current fund values at the click of a button.

Registering as a user is quick and easy. You can log on to MyPension365 by clicking the MyPension365 link on the Bank of Ireland website or by downloading the MyPension365 app.

## What does MyPension365 mean for you?

- ▶ Your up to date retirement savings information is at your fingertips through your mobile phone, tablet or desktop.
- ▶ The interactive platform allows you to better understand your pension and retirement planning position.
- ▶ Ability to request contribution changes and fund switches online with no paperwork needed.
- ▶ All system generated correspondence is stored on the platform for ease of access.
- ▶ Allows you to take more ownership of your retirement needs and ensure you are proactive about planning for your future.

## MyPension365 Mobile App

- ▶ Available on GooglePlay and the App Store. You can now access all your scheme and pension information through the MyPension365 app giving access to up to date information on the go.

Your employee Member Booklet and Investment Choice Member Guide are always available to you on MyPension365.

If you have any queries about **MyPension365** please contact your employer.
